STATE BANKING

Department Desired by Kentucky Financiers.

BILL WILL BE SUBMITTED TO THE LEGISLATURE.

KENTUCKY ASSOCIATION COMMITTEE TO PREPARE MEASURE.

APPOINTMENTS BY PRESIDENT

That a State banking department is essential to the future welfare of the banking business in the State of Kentucky is the belief of the members of the executive committee of the Kentucky Bankers' Association, who at a meeting yesterday finally decided to have a bill introduced at the coming session of the Legislature for this purpose. The meeting of the executive committee was held in the offices of the association in the American National Bank building, Third and Main streets, at 1:30 o'clock in the afternoon. According to bankers identified with the association one of the principal benefits to be derived by the bankers from such a bill as is proposed is that every State bank will be subjected to periodic examinations by the State representatives of the same as are required by the national banking laws. It is pointed out that the conditions of the State banks should be as well known to the State as the condition of national banks are to the Federal Government. They say a law requiring all the banks to submit to State examinations would be fair and just to the people as well as to the stockholders.

Will Work Out Details.

At the conference the various features of the proposed new law were discussed at great length and the matter was referred to the committee on legislation with the suggestion that the bill be perfected and arrangements made to present it before the Legislature. Between now and next week the members of the committee will work out the details and endeavor to have the new act ready in time for presentation early in the session.

The following bankers attended the meeting and considered the new banking bill: J. N. Kehoe, Maysville; W. E. Montgomery, Elizabethtown; C. E. Dalton, Henderson; James C. Utterback, Lexington; Samuel Casseday, John Stiles and S. B. Lynd, chairman, all of Louisville.

James C. Utterback, president of the Kentucky Bankers' Association, came to Louisville from Paducah to attend the meeting and to fill out some important committees to serve the association until the next annual meeting. He announced the committee on banking jurisprudence and information as follows: E. L. Hutchinson, president of Lexington Banking and Trust Company, chairman; Robert R. Burns, president of Citizens' National Bank, Bowling Green; Robert R. Burns, president of Citizens' National Bank, Richmond; J. N. Downing, cashier of Georgetown National Bank, Georgetown; Sam P. Jones, president of Commercial Bank and Trust Company, Louisville; B. G. Witt, cashier of Ohio Valley Banking and Trust Company, Henderson; Joseph L. Price, president of Bank of Marshall county, Benton; R. C. Ford, president of the National Bank of Middleboro, Middleboro; Horace Hays, president of First National Bank, Elizabethtown.

To Save Their Pony and Cart.
Younger O'Neal and Jean Hardin O'Neal, the son and daughter of William O'Neal, who is the proprietor of the Blue Rock Hotel at Fisherville, appealed to the courts yesterday to save their pony and cart from the clutches of the Sheriff. He was after it, they said, in order to satisfy a debt of \$100. The father and not they, contracted. Meanwhile the Sheriff, George T. Cross, through a deputy did levy an attachment on the pony and cart, so that the restraining order Judge Miller granted Barrett Gibson was too late. He, however, amended the petition so as to restrain the Sheriff from withholding the pony and trap until the case could be heard by the court. The order was granted, and the children are now in possession of their pet, which represents years of saving of their pocket money.

INCORPORATED

JANUARY SALE MUSLIN UNDERWEAR

This sale is the greatest muslin underwear event of the year. It required months of preparation on our part. We have anticipated the very high price of cotton and the increased duty on laces and embroidery, placing our orders months ago, before muslin underwear prices took the big jump, which they have since done. In addition to our regular lines, which are all offered at particularly attractive prices, we have picked up a number of special lots way under price, and they are all included in this great sale. Every garment is made in a clean and sanitary factory, by the best and highest class labor. Considering the marked advances in prices this sale offers opportunities which will not occur again in a long time, certainly not for a year or more.

CONTRACT LET FOR NEW WATER OFFICE

BAILEY & KOERNER TO ERECT THE STRUCTURE.

NO MORE WATER FAMINES FOR THE HIGHLANDS.

NEW MAIN IS AUTHORIZED.

Bailey & Koerner were awarded the contract for the erection of the new office building, which is to be built by the Board of Waterworks, at the meeting of the board yesterday morning. The building will be constructed on the property just north of the present office building and east of the main line of Third avenue, between Green and Walnut streets. The bid calls for the expenditure of \$33,400 and carries with it the guarantee of completion by July 1, 1910, under penalty of \$25 a day. If not finished within the prescribed time, the contract will be forfeited.

President Brown was authorized to carry out the recommendation made by the chief engineer for laying a twenty-four inch distributing main from Crescent Hill to Baxter and Finzer avenues. The purposes of this main will be to supply the Highlands with water in cases of breaks in the forty-eight inch main, and also to make a cross connection with a twenty-inch pipe between the thirty-two inch main on Frankfort avenue and the forty-eight inch main on Long avenue.

Authority was given to purchase the necessary pipe and proceed with the work at the earliest possible opportunity. The new main will probably be ready for service April 1, 1910. With these improvements, the water supply of the city will be assured of an adequate supply of water at all times and the whole city will be benefited.

X-RAY EXAMINATION TO LOCATE BULLET

OSCAR HINTON EXPECTED TO RECOVER FROM WOUND INFLECTED BY THUGS.

Oscar Hinton, the 17-year-old son of W. O. Hinton, of Paris, and a student of Transylvania university, who was shot and seriously wounded Monday night shortly after 8 o'clock by thugs at Second street and Ormsby avenue, is reported resting easily at the Norton Memorial hospital. The wound is not serious and the child is now in possession of their pet, which represents years of saving of their pocket money.

It was planned to make an X-ray examination yesterday in the hope of locating the bullet, which is believed to be lodged in the neck, but, owing to the exhausted condition of the patient, it was decided to postpone this examination until to-day. It is probable that it will be made some time this morning.

As young Hinton seems to possess complete control of his body it is not thought that the spinal column has been shattered, as was at first feared. If this were the case a delicate surgical operation would be necessary with the final outcome in great doubt. The parents of the wounded boy are his bedside.

The police have no clue to the men who attacked Hinton.

CHURCH DECORATED FOR SILVER JUBILEE

CHILDREN WILL HELP IN FATHER LEO'S CELEBRATION.

FRIENDS HOPE HE WILL BE MADE PROVINCIAL.

MANY YEARS A MISSIONARY.

St. Anthony's church has been beautifully decorated for the celebration to-day of the silver jubilee of Father Leo, its pastor, and acting provincial of the Order of Minor Conventuals.

The service will open at 9 o'clock this morning with a solemn high mass, of which Father Leo will be the celebrant. The sanctuary has been decorated with flowers and the purple and gold colors of the Catholic church, and the scene more than thirty priests, gathered about the altar, will be an imposing one. The Rev. Father Leo, of St. Joseph's church, at Jasper, Ind., will preach the jubilee sermon.

This evening at 8 o'clock, the children of St. Anthony's parochial school will give an entertainment in the school hall. The exercises will consist of songs, drama and speeches, some in keeping with the Christmas spirit and others to celebrate their pastor's jubilee. A feature of the program will be a drama by the children, entitled, "St. Joan of Arc."

Father Leo was ordained in Trenton, N. J., in the chapel of St. Francis, and twenty-five years ago. The ceremony was performed by the Right Rev. Bishop O'Farrell, and immediately after Father Leo took up his work. He spent many years as a missionary priest throughout the State of New Jersey. In 1888 he was sent to Louisville, where he has since remained, and for six years had charge of St. Peter's church. Ten years ago, when Father Miller was made provincial of the Order of Minor Conventuals, Father Leo was chosen pastor of St. Anthony's church. During his administration the church has grown, not only in material things, but as a force for good in the community.

After the death of Father Miller, last September, Father Leo was appointed commissary general by Pope Pius IX. His office he will hold until the members of the order in America elect a man to fill the place of Father Miller. Father Leo's friends are striving hard for his election to this position of honor, but he seems the most indifferent of any of them, and declines to talk of the matter.

He says he left Clark talking to a stranger and went on to his home, 141 Ninth street. Dever asserted he knew nothing of the killing until detectives came to his home and arrested him. JUDGE DU RELLE RESIGNS LAW CHAIR

ALEX. G. BARRETT ELECTED SUCCESSOR BY FACULTY OF UNIVERSITY OF LOUISVILLE.

Judge George Du Rellé has resigned his position as a member of the faculty of the Law Department of the University of Louisville and Alex. G. Barrett, a prominent member of the local bar, has been elected by the board of trustees of the university to succeed him.

Judge Du Rellé found it impossible to continue further as a professor in the law school, as his exacting duties as District Attorney in the Federal court for the Western district of Kentucky occupy practically all of his time.

Mr. Barrett will have the chair of civil procedure and constitutional law. He was graduated at Harvard College in the class of 1889 and was graduated at the Harvard Law School in 1892.
